WORK HISTORY 3			
COUNTRY	-	TARGET	-
PERIOD	-	REASON FOR LEAVING	-
REMARKS	The servant was also experienced in caring for a newborn baby, because he also took care of his own children and was accustomed to caring for relatives since childhood. Like a baby bathing, giving formula milk, changing diapers. And he knows how to care for when the baby wakes up in the middle of the night because of defecation or the baby is hungry
